June 30, 2026

Dear Bogota Resident:

The Borough of Bogota is announcing its decision to postpone the issuance of the 3rd Quarter estimated tax bills, opting instead to wait for the certified tax rate and issuing a bill reflecting the actual tax rate. The Borough has not received the certified rate from the county; it is expected in the coming weeks. As a result, tax bills will be mailed no later than July 31, 2026, which will require that the grace period be extended. The new grace period date will be communicated on the tax bill as well as on the Borough website but will be at least 25 days from the certified date of mailing.

For further updates or information regarding tax bill issuance and payments, residents are advised to visit The Borough of Bogota's official website at: or contact the Tax Department directly at: 201-342-1736 x 228 or by email at: tax@bogotaonline.org.

Mayor Daniele Fede
