REPORTS

Mayor Fede: The flag program is beginning and citizens can sponsor a veteran's flag for \$150. She participated in a webinar about the state plan. She is working on cleaning up the online grants portal to make applying and closing grants easier. She took a tour of the new housing development The Gabriel and was impressed. She attended the Hackensack River Superfund Site Meeting, the first area they will remediate is in Secaucus, it will take a very long time for the remediation to reach Bogota. The flags in town need to be changed regularly as they get worn.

Council President Carpenter: There is an upcoming meeting to apply for a grant for senior activities.

Councilman McHale: He reported that on July 19th, he visited Veterans Memorial Park along with Councilwoman Carpenter, Councilwoman Vergara, Borough Administrator O'Malley, Recreation Director Conte, and Borough Engineer Greg Polyniak to discuss phase 2 of the park's improvements. The proposed enhancements include widening the driveway, identifying a new location for the Christmas tree, planting additional shrubbery, and constructing a wall on the south side of the clock to enhance its appearance.

Councilman Mitchell: The new firetruck is coming on Monday.

Councilman Robbins: Three out of seven convenience stores were caught selling nicotine products to minors and were fined. The contract with Hackensack Hospital to provide public health education will end on December 31st, the plan is for the Mid-Bergen Regional Health Commission to provide those services in cooperation with a different local hospital. There have been reports of mosquitos with Dengue Fever. The dog census found many unlicensed dogs and public communication will be enhanced to promote compliance. Overgrowth was removed around Rt. 80. The summer reading program at the library will continue to September 10th.

Councilwoman Vergara: No report

Administrator O'Malley: He is working on a program with Council President Carpenter to allow residents to purchase benches dedicated to a person. In the fall, the Borough will trim trees near the Veterans Park monument and run electrical wires for lights there. The Borough plans to address commercial vehicle parking. The West Shore Street intersection is very complicated, which forces people to slow down. In the past, it has been reviewed by Neglia Engineering and the County and it will be very expensive to dig it up and rebuild it. He suggests to restripe it as a stopgap measure. River Road will be repaved next week; the job should take about two weeks. The Fairview Ave improvements begin on Monday and it will be a six-week project. The Bixby School curb and sidewalk repair will begin after Labor Day and take about six weeks to complete. Residents will be alerted about the projects and parking will be restricted on those streets while the work takes place. No one applied for the summer help position when it was advertised. He is working with Council President Carpenter and Councilwoman Vergara on clearing out old debt from prior bond issues. The parts from the electronic sign are being sent out

to be fixed, a new sign would be \$15,000-\$18,000. He is looking into a shared services agreement for a senior bus driver, most people who applied want more hours than the Borough can offer.

Borough Attorney Betesh: No report

Borough Clerk Flores-Bolivar: New regulations have been issued to allow liquor licenses to be sold between towns. However, this will not affect Bogota, as the borough already has more licenses than permitted based on its population. The Mayor and Council will now have the authority to decide whether unused liquor licenses should be renewed.

The OPRA reform law will take effect on September 3rd. the clerk has scheduled a meeting for next week to review the new legislation regarding the OPRA reform with Borough staff.

Dear Mayor Kelemen,

I am pleased to inform you that Bogota Borough has been selected to receive funding from the New Jersey Department of Transportation's (NJDOT) Fiscal Year 2024 Municipal Aid Program for LA-2024 MA Bogota Borough Palisade Avenue, Chestnut Avenue, and Fischer Avenue Improvement Project 02 in the amount of \$228,481.00.

NJDOT's Municipal Aid Program is a very competitive program. This year the Department received 600 applications requesting more than \$384 million. There is \$161.25 million available in funds for this program from the Transportation Trust Fund (TTF) supported by the State gas tax.

As part of the Department's Commitment to Communities, NJDOT provides statewide assistance for local governments for improvements to and preservation of the local transportation network. This network makes up about 90 percent of New Jersey's roadways. The successful completion of your project will help achieve this goal and provide your constituents and everyone that uses local roads a transportation system that provides the mobility they deserve.

Should you have any questions regarding your grant, please contact the NJDOT Local Aid District Office in your area.

Dear Mayor Kelemen,

I am pleased to inform you that Bogota Borough has been selected to receive funding from the New Jersey Department of Transportation's (NJDOT) Fiscal Year 2024 Municipal Aid Program for LA-2024 MA Bogota Borough Palisade Avenue, Chestnut Avenue, and Fischer Avenue Improvement Project 02 in the amount of \$228,481.00.

Should you have any questions regarding your grant, please contact the NJDOT Local Aid District Office in your area.

**SHARED SERVICES AGREEMENT
SHARING OF COUNTY-OWNED
EMERGENCY AND NON-EMERGENCY EQUIPMENT**

THIS AGREEMENT is made by and between:

COUNTY OF BERGEN, a body politic and corporate of the State of New Jersey, with administrative offices located at One Bergen County Plaza, Fifth Floor, Hackensack, New Jersey 07601-7076 hereinafter referred to as the "County" and

BOARD OF EDUCATION, a body politic and corporate of the State of New Jersey, with administrative offices located at 1 Henry C. Luthin Place, Bogota, NJ 07603, hereinafter referred to as the "BOE."

WITNESSETH:

WHEREAS, the County of Bergen owns certain vehicles and equipment (the "Equipment") that it could make available to the BOE, subject to the operational needs of the County; and

WHEREAS, some of the Equipment was acquired by the County's Office of Emergency Management pursuant to State and Federal grants for the express purpose of making same available to the municipalities within Bergen County, and is controlled by the County's Office of Emergency Management ("OEM"); and

WHEREAS, other equipment is controlled by other departments of the County, such as Public Works and Parks; and

WHEREAS, due to emergencies, mechanical breakdown or budgetary restrictions, the need arises occasionally for which the BOE does not possess the required equipment; and

WHEREAS, the County and BOE recognize the need to enter into a written agreement between the County and the BOE in advance of the actual need, to govern the terms under which the County will make the County's Equipment available for the use of the BOE; and

WHEREAS, the County and BOE have determined that by entering into this Shared Services Agreement governing the terms for sharing of County owned Equipment, the parties will be able to facilitate the prompt availability of such Equipment at such time as BOE has a need to utilize it;

WHEREAS, this Agreement is established in accordance with the Uniform Shared Services and Consolidation Act, P.L.2007, c.63 (N.J.S.A. 40A:65-1, et seq.).

RESOLUTION # 2024-185

DATE: 08-15- 2024

WHEREAS, the County has authorized this agreement by adoption of Resolution No. 2024-185 on August 15, 2024; and

WHEREAS, the BOE has authorized this agreement by adoption of Resolution No. 2024-185 on August 15, 2024; and

NOW THEREFORE BE IT AGREED AS FOLLOWS:

1. Scope of Services.

- A. This Agreement is intended to cover the sharing of equipment controlled by the County's Office of Emergency Management or Division of Emergency Management as appropriate, as well as equipment controlled by other Departments and Divisions of the County.
- B. The purpose of this Agreement is to provide the basic terms under which the BOE may borrow Equipment from the County for short term use should the County, in its sole discretion, determine that such Equipment is available for use by the BOE. By entry into this Agreement, the County does not commit to loan any particular piece of Equipment to BOE.
- C. It is clearly understood by all the parties concerned that the Equipment must be available to the County for County projects, whenever needed, and that the County is entering into this Agreement with other Municipalities in the County. Consequently, any particular piece of Equipment will only be available whenever not in use or scheduled to be used for a County project or another BOE, and even then, it will only be made available at the sole discretion of the County.
- D. The County anticipates entering into this agreement with all of the municipalities in Bergen County. Therefore, the BOE agrees to notify the County as far in advance of the BOE's need for Equipment as possible, to permit the County to determine if the County has available equipment to loan and, if so, to coordinate among possible requests from various municipalities.
- E. While the County will make every effort to make Equipment available to any BOE seeking to borrow Equipment where doing so does not compromise the County's operations, the County shall not be deemed in breach of this Agreement, and shall have no liability to the BOE in the event the County denies BOE's request to borrow any particular piece of Equipment.
- F. This Agreement shall not apply to any Equipment for which the County requires execution of a separate agreement, or payment of a fee to borrow or use. Nor shall anything in this Agreement preclude the County from requiring execution of a separate agreement or payment of a fee to borrow or use any Equipment.

RESOLUTION # 2024-185

DATE: 08-15- 2024

2. Term; Termination.

- A. The term of this Agreement shall commence upon adoption of authorizing resolutions by both the County and the BOE, and execution by authorized officials of both entities, and shall continue for a period of one year.
- B. This Agreement shall automatically renew for successive one-year terms unless either party notifies the other in writing of intent to terminate.
- C. This Agreement may be terminated by either party upon thirty days' written notice, for any reason, including administrative convenience.
- D. Termination of this Agreement does not relieve the BOE from any responsibility for defense or indemnification of any claims against the County or the BOE's obligations for maintenance or repair of the Equipment occasioned by BOE's use thereof.
- E. The County shall have no liability to the BOE for any losses or additional costs that may be incurred by the BOE as a result of the County's termination of this Agreement.

3. Compensation.

- A. The Equipment loaned under this Agreement shall be loaned by the County to the BOE free of charge. In the event any reimbursement is available from State or Federal sources (e.g. FEMA reimbursement) for use of such Equipment, BOE agrees and acknowledges that the County is entitled to such reimbursement.
- B. In the event any payment is due from the BOE to the County (e.g. for damage to the Equipment resulting from the BOE's use), the BOE agrees to pay the County within 45 days after submission of the invoice by the County to the BOE.

4. County's Contact Person.

- A. For purposes of Equipment controlled by the County's Office of Emergency Management, the County's Contact Person shall be the Director of the County's Division of Emergency Management, the County Emergency Management Coordinator, or either of their designees.
- B. For purposes of Equipment not controlled by the County's Office of Emergency Management, the County's designated Contact Person shall be the Director of the Division of Shared Services within the Department of Public Works.
- C. The BOE shall designate one or more Contact Persons, and shall advise the County accordingly.

RESOLUTION # 2024-185

DATE: 08-15- 2024

5. Responsibilities of the Parties.

- A. When and if the BOE wishes to borrow Equipment from the County, the BOE's Contact Person shall submit to the County's appropriate Contact Person a written request to borrow the Equipment. The request shall include:
 - 1. The piece of Equipment requested;
 - 2. The reason for the request, and the use to which the Equipment will be put;
 - 3. The approximate dates or duration for which the BOE wishes to borrow the Equipment.
 - 4. Any other information the BOE wishes to include with its request;
 - 5. Any other information required by the County, in its discretion, to evaluate the BOE's request.
- B. Requests for Equipment controlled by the County's Office of Emergency Management shall, unless otherwise permitted by the County, be submitted through the online system utilized by the County's Office of Emergency Management called "WEBEOC," or such other system that the County's Office of Emergency Management may choose to use in the future.
- D. Requests for Equipment not controlled by the County's Office of Emergency Management may be submitted to the Director of the Division of Shared Services within the Department of Public Works, who shall coordinate with the directors of the various County departments and the Administration to determine whether the requested Equipment is available for loan.
- C. The County anticipates entering into this agreement with several municipalities. Therefore, the BOE agrees to notify the County as far in advance of the BOE's need for the Equipment, to permit the County to schedule use among the Municipalities seeking to borrow the Equipment.
- D. The County, upon review of the written request, shall:
 - 1. Notify the BOE's Contact Person of the Equipment's availability, and coordinate a time for the BOE to take custody of the Equipment; or
 - 2. Notify the BOE's Contact Person that the requested Equipment cannot be loaned; or
 - 3. If the Equipment can be loaned, but is unavailable for the date(s) requested by the BOE, the County will notify the BOE accordingly, and, attempt to coordinate an alternate date or set of dates for the BOE to borrow the Equipment.

RESOLUTION # 2024-185

DATE: 08-15- 2024

- F. The representative of the BOE taking custody of the Equipment shall sign a statement prior to removing the Equipment from the County's property, indicating and agreeing to the following:

 - ii. The date on which the BOE takes custody of the Equipment;
 - iii. The date by which the Equipment will be returned;

 - v. Any operational requirements specific to the Equipment, that the BOE should not reasonably be aware.
- G. The BOE shall return the Equipment no later than the date set forth in the foregoing statement, unless the BOE requests to keep the Equipment for a longer period, and the County consents.
- H. The BOE shall take custody of and return the Equipment to the County at the storage location designated by the County. The County shall not be required to deliver the Equipment to or retrieve the Equipment from another location.
- I. Prior to taking custody of the Equipment, the BOE shall provide the County with one or more certificates of insurance meeting the requirements of Paragraph 9, "Insurance," below.
- J. The BOE agrees that persons assigned to operate the Equipment ("operators") will possess all required licenses to operate the Equipment, will have fulfilled all training requirements for such operation, prior to operating said Equipment.

- L. Where the Equipment requires fuel (e.g. vehicles, generators, etc.), BOE shall be responsible for all fuel utilized while borrowing the Equipment, and shall return the Equipment with a full fuel tank.

RESOLUTION # 2024-185

DATE: 08-15- 2024

- M. The BOE shall be responsible for inspecting the Equipment before taking custody, and before each operation of the Equipment to ensure the Equipment is in operational condition.
- N. The BOE shall maintain written records regarding receipt, possession, inspection, and use of the Equipment, and provide them to the County upon return of the Equipment.
- O. The BOE shall be responsible for the cost of repairing any damage to the Equipment occurring while the Equipment is in the BOE's custody. In the event that the equipment is damaged during the BOE's possession of same, the County will provide an itemized bill to the Borough and the BOE will pay same within forty five days of presentment of the itemized bill.
- P. Depending upon the length of time the BOE will be borrowing a piece of Equipment, the County may determine that BOE must be responsible for the cost of regular scheduled maintenance. The County shall advise BOE of any regular scheduled maintenance due during the period BOE is expected to have custody of the Equipment, and whether the BOE shall be responsible for the cost of such regular scheduled maintenance. The BOE shall return the Equipment to the County for regular scheduled maintenance in accordance with the manufacturer's recommended maintenance schedule.
- Q. All maintenance and repair, including regular scheduled maintenance, of the Equipment shall be conducted by the County at the County's vehicle maintenance facility, currently located at the Bergen County Annex in Paramus, or by such other service provider as the County may determine. If BOE is responsible for the cost of any maintenance or repair, same shall be charged at the County's then current rates charged under the County's vehicle maintenance shared services agreement, or the County's actual cost where repair or maintenance must be performed by an outside vendor.
- R. The BOE shall return the Equipment to the County in the same condition as when the BOE borrowed it, normal wear and tear excepted.
- S. Notwithstanding any other provision of this agreement, the BOE will return the Equipment to the County upon the County's request within twenty four (24) hours under normal operations. 6. Other Agreements.

The County and the BOE reserve the right to enter into any other contract with other public or private entities for the performance of any service or services which may be included within the scope of services provided in this Agreement. Nothing in this Agreement shall prohibit the County from entering into agreements to purchase, maintain, borrow, loan, sell, or otherwise dispose of the Equipment to other public or private entities.

7. Dispute Regarding Payment.

As provided in N.J.S.A. 40A:65-1, et seq., in the event of any dispute as to the amount to be paid under the terms of this Agreement, the full amount to be paid in accordance with this Agreement shall be paid. If through subsequent negotiation, litigation, or settlement, the amount due shall be determined agreed to or adjudicated to be less than was actually so paid, the County shall promptly repay the excess.

8. Risk of Loss; Indemnification.

The BOE acknowledges and agrees that County has made no representation regarding the condition of the Equipment, and the Equipment is being loaned strictly in “as is” and “where is” condition with no warranties, either expressed or implied. The BOE hereby assumes all risk of damage, injury, liability or loss, including but not limited to damage to any property whatsoever and injury to, or death of, any person whomsoever, occurring by reason of, or in connection with, or as a result of, the BOE’s use of the Equipment, including any loss occasioned by failure of the Equipment to perform as intended.

The BOE, upon notice from the County, shall resist and defend, at the expense of the BOE, such action or proceeding with counsel satisfactory to the County. In addition, the County may engage separate counsel to appear on its behalf in such action or proceeding without waiving its rights or the BOE’s obligation to defend, indemnify, and hold harmless the County, including its officers, employees, and agents, under this paragraph.

The BOE shall be solely responsible for any and all theft and/or damage which shall be occasioned by the BOE’s use, or occur while the Equipment is being utilized or in the custody of the BOE, and all such costs shall be borne solely by the BOE.

SETTLEMENT AGREEMENT

Bogota v. Bernal

This Settlement Agreement ("Agreement") is made and entered into on the date of the last signature below by and between the following parties:

1. The Borough of Bogota (the "Borough"), with offices located at 375 Larch Avenue, Bogota, New Jersey 07603; and
2. Johana Bernal-Ortiz and Luis Alberto Bernal Mendoza (the "Plaintiffs"), who own property at 86 Elm Avenue, Bogota, New Jersey 07603.

WHEREAS:

A. Plaintiffs filed a lawsuit against the Borough of Bogota, alleging that the Borough erroneously issued a Certificate of Occupancy stating that the property at 86 Elm Avenue was a two-family home, when it was, in fact, a single-family home.

B. The Borough denies any wrongdoing or liability in the matter and contends that it is protected from liability by statutes and case law, asserting that the issue resulted from a lack of due diligence by the Plaintiffs and fraud by the sellers.

C. Both parties desire to resolve the dispute without further litigation or admission of liability.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, the parties agree as follows:

1. Settlement Payment: The Borough agrees to pay the Plaintiffs a total sum of \$250,000 (Two Hundred Fifty Thousand Dollars) as a full and final settlement of all claims arising from the lawsuit "Bernal v. Bogota" and any related matters.
2. Deposit of Payment: The settlement payment will be made by the Borough to the Plaintiffs within 30 days of the execution of this Agreement.

- Three municipal summonses issued to Johana Bernal Ortiz around February 23, 2022.
- The handling and outcomes of the summonses mentioned above.
