DISCUSSION

Emergency Services Equipment

Borough Administrator O'Malley- is working with the Fire Department to get the most amount of money for old, unused emergency vehicles. He suggested donating two of the fire vehicles to the areas in North Carolina that were hit by a hurricane, there is a great need and any amount of money the Borough received would be very low.

Drone Update

Mayor Fede- attended a statewide drone briefing held for mayors. The drones the public are seeing could be registered drones, lawful personal drones, helicopters, or aircraft. Out of the 5,000 tips that the FBI received, 98 merited further investigation. The FBI's conclusion is that the drone sightings are a mix of lawful drones, aircraft, and stars. There no threat to national security. The FAA said that the drones are lawful drones or other approved aircraft. Homeland Security relayed that the drones are not a foreign threat. According to them, large drones the size of SUV's are manned aircraft. The FBI is deploying surveillance teams and following up on tips.

Recreation Center Update

Borough Administrator O'Malley- the current schedule is to go out to bid on January 14, 2025, open bids on February 14, 2025, and hopefully break ground around St. Patrick's Day. Construction is estimated to take 18 months. It is possible to reduce the time to for companies to respond to the bid, however, the project is large and the extra time would be beneficial for the construction process.

13. Breach, Default or Violation.

- a. Breach. In addition to, and not in limitation of, any other rights of the Grantee hereunder or at law or in equity, if the County determines that a breach, default or violation ("Violation") of this Contract has occurred or that a Violation is threatened, the County shall give written notice to Grantee of such Violation, setting forth the specifics thereof, and demand corrective action sufficient to cure the Violation. If the Grantee fails to cure the Violation after receipt of notice thereof from the County, or under circumstances where the Violation cannot reasonably be cured within a time period dictated by the County, fails to begin curing such Violation within the time period dictated by the County, or fails to continue diligently to cure such Violation until finally cured, the County may bring an action at law or in equity in a court of competent jurisdiction:

The County's rights under this paragraph shall apply equally in the event of either actual or threatened Violations of the terms of this Contract. Grantee agrees that the County's remedies at law for any Violation of the terms of this Contract are inadequate and that the County shall be entitled to the injunctive relief described in this paragraph, both prohibitive and mandatory, in addition to such other relief to which the County may be entitled, including specific performance. - i. Enforcement. Enforcement of the terms of this Contract shall be at the discretion of the Grantor and any forbearance by the Grantee to exercise its rights under this Contract in the event of any Violation by Grantee shall not be deemed or construed to be a waiver by the Grantor of such term or of any subsequent Violation or of any of the Grantor's rights under this Contract. No delay or omission by the Grantor in the exercise of any right or remedy upon any Violation by Grantee shall impair such right or remedy or be construed as waiver of such right or remedy.
