Open Session
7:30pm

BOROUGH OF BOGOTA
Mayor and Council Regular Meeting

Meeting of the Borough of Bogota Mayor and Council meeting held on this date April 17, 2025 in Borough Hall, 375 Larch Ave, Bogota, New Jersey at 7:30 P.M

PLEDGE OF ALLEGIANCE

Council President Kohles led the Pledge of Allegiance.

MAYOR'S ANNOUNCEMENT

In accordance with the Open Meeting Act, N.J.S.A. 10:4-1, et. seq. the notice for this meeting's time, date, location, and agenda fulfilled the requirements by a copy of the Annual Notice of Meetings being sent to the newspapers officially designated for 2025, filing a copy in the Borough Clerk's Office, and posting it on the Borough bulletin board.

ROLL CALL

Mayor Fede	Present
Council President Kohles	Present
Councilwoman Carpenter	Present
Councilman Hordern	Present
Councilman McHale	Present
Councilman Mitchell	Present
Councilwoman Vergara	Present

Also attending were Borough Administrator O'Malley, Borough Attorney Betesh, and Borough Clerk Flores-Bolivard.

CITIZEN REMARKS: One (5) minute time limit per person

Motion: Councilman Mitchell made a motion to open Citizen Remarks. Seconded by Councilwoman Carpenter. The motion passed with a voice vote.

Paula Rogovin- spoke in favor of the Climate Superfund Act

Motion: Councilman Hordern made a motion to close Citizen Remarks. Seconded by Councilwoman Vergara. The motion passed with a voice vote.

COUNCIL RESPONSE TO CITIZENS REMARKS

Mayor Fede- indicated that the Climate Superfund Act would be discussed later on in the meeting.

DISCUSSION

Sign Ordinance

Mayor Fede- introduced the concept of a sign ordinance to address sign pollution on Main Street and the concerns last Fall about the high number and size of campaign signs that are put up around election day.

Borough Administrator O'Malley- has enforced the ordinance prohibiting light up signs at businesses. He asked for councilmembers to tell him about noncompliant signs and he will work with property maintenance to address them.

Borough Attorney Betesh- suggested asking Borough staff for ideas about the ordinance, since they will have to enforce it. The Borough has several ordinance governing signs, he focused his research on public interest signs as opposed to business signs. He reviewed the fees charged by neighboring towns. He will draft an ordinance to make clear that political yard signs should not be in the public right of way; they should be on the homeowners' side of the easement.

Borough Administrator O'Malley - suggested regulating the size of banners and billboard as people are making things that are almost structures.

The Council discussed how best to regulate the number of signs allowed on a yard, the size, when they may be displayed and for how long. The Borough Attorney will draft an ordinance based on the discussion.

Climate Superfund Act

Mayor Fede- summarized what the Climate Superfund Act does and indicated her support.

Motion: Councilwoman Carpenter made a motion to adopt resolution 2025-114 which expresses support for the Climate Superfund Act. Seconded by Councilwoman Vergara. All Councilmembers present voted yes.

PUBLIC HEARING & RESOLUTION INTRODUCTION

2025-110 Public Hearing on the Submission of a 2025 Bergen County Trust Fund Grant Application - Vincent F. Petrick Park

Motion: Councilman Mitchell made a motion to open the public hearing on Resolution 2025-110. Seconded by Councilwoman Vergara. The motion passed with a voice vote.

No one from the public wished to speak.

Motion: Councilwoman Carpenter made a motion to close the public hearing on Resolution 2025-110. Seconded by Councilwoman Vergara. The motion passed with a voice vote.

PUBLIC HEARING AND ADOPTION OF ORDINANCE

1632 Ordinance Ch. 23 – Police Department, allowing us to bring Jobs4Blue under contract to handle outside duty payments, accounting and collection.

Motion: Councilwoman Carpenter made a motion to open the public hearing on Ordinance 1632. Seconded by Councilman McHale. The motion passed with a voice vote.

Borough Attorney Betesh- said there is a minor amendment to the ordinance that lowers the service fee by 30 cents.

Motion: Councilwoman Carpenter made a motion to close the public hearing on Ordinance 1632. Seconded by Councilman Mitchell. The motion passed with a voice vote.

Motion: Councilwoman Carpenter made a motion to adopt Ordinance 1632 as amended. Seconded by Councilman Mitchell. All Councilmembers present voted yes.

CONSENT AGENDA

Resolutions

2025-111 Authorize the Submission of a Grant Application to the New Jersey Department of Transportation for the Fy2025 Transportation Alternatives Program
2025-112 Approve First Environment's Professional Services Proposal – (LSRP) Delineation Services – DPW Garage (9 East Fort Lee Road)

Motion: Councilman Mitchell made a motion to approve the consent agenda. Seconded by Councilwoman Vergara. All Councilmembers present voted yes.

Resolutions to be Voted on Separately

PC25-06 Payment of Claims

Motion: Councilman McHale made a motion to approve PC25-06. Seconded by Councilman Mitchell. Council President Kohles voted no on Purchase Order 250-520-Enterprise, recused herself on any items related to the DPW or Superintendent Kohles and voted yes on the remainder of items. Councilwoman Carpenter voted no Purchase Order 250-520-Enterprise, and voted yes on the remainder of items. Councilman Hordern recused himself on any item related to the Bogota Fire Department and voted yes on the remainder. Councilmembers McHale, Mitchell, and Vergara voted yes.

Mayor Fede- announced that a new item was added to the agenda on an emergency basis and asked that items added to the agenda late be truly emergent.

Councilwoman Carpenter- said that she would have added the agenda item earlier if her prior requests were honored and it will ensure that the person is working legally.

Borough Attorney Betesh- the Council can move a resolution forward to convert an employee from part-time to full time but the salary ordinance must be changed to add the salary. A vote can occur at the meeting but will take effect when the salary ordinance is adopted. The approval can also be conditioned on an employment agreement being reached.

Motion: Councilwoman Carpenter made a motion to adopt Resolution 2025-113 which moves Daniel Klima from part time to full time at a salary of \$70,000, taking effect on the adoption of a revised salary ordinance and execution of an employment agreement on terms that are acceptable to both sides. Seconded by Councilwoman Vergara. All Councilmembers present voted yes. The 2025-113

APPROVALS

Regular Meeting Minutes – 04-03-2025

Motion: Councilwoman Carpenter made a motion to approve the Regular Meeting Minutes – 04-03-2025. Seconded by Councilwoman Kohles. All Councilmembers present voted yes except for Councilwoman Vergara who abstained.

Part I - Closed Session Meeting Minutes – 04-03-2025

Motion: Councilwoman Carpenter made a motion to approve Part I of the Closed Session Meeting Minutes – 04-03-2025. Seconded by Councilman McHale. All Councilmembers present voted yes except for Councilwoman Vergara who abstained.

Part II - Closed Session Meeting Minutes – 04-03-2025

Motion: Councilwoman Carpenter made a motion to approve Part II of the Closed Session Meeting Minutes – 04-03-2025. Seconded by Councilwoman Kohles. All Councilmembers present voted yes except for Councilwoman Vergara and Councilman Hordern who abstained.

Borough Clerk Flores-Bolivard- asked if the Council was interested in making an amendment to the resolution passed at the last meeting that created the special committee, which must be done during open session. The Mayor did not wish to make a new appointment. Council did not make an amendment.

Mayor Fede- indicated that there is confusion amongst the staff of how the committee will operate.

2ND CITIZEN REMARKS: One (5) minute time limit per person

Motion: Council President Kohles made a motion to open 2nd Citizen Remarks. Seconded by Councilmember Mitchell. The motion passed with a voice vote

No remarks

Motion: Councilmember Mitchell made a motion to close citizen remarks. Seconded by Councilmember Vergara. The motion passed with a voice vote.

COUNCIL RESPONSE TO CITIZENS REMARKS

REPORTS

Mayor Fede-attended two spring concerts at the middle school and grammar school which were lovely. She did not attend the safety awards but Bogota did win a Silver Annual Safety Award, and she congratulated the DPW and Police. She met with Wendy's, they gave out VIP packs and provided Frosty gift cards to hand out at Community Garden Day Clean-up Day. She thanked the council for approving pinwheel gardens for child abuse prevention month. Sidewalk and tree complaints are increasing; the Clerk, Borough Administrator, and DPW are working hard to meet all the requests. Community Garden Clean-up Day is next Sunday. April 25th is the Arbor Day Poster Contest; Bixby school participated for the first time in 5 years. She met with the Leonia Administrator and Mayor and took a tour of their police headquarters and courthouse. They are interested in providing court services to Bogota.

Council President Kohles- The Board of Education is continuing their work on their new facilities. The Fire Department put together a committee to evaluate different options for moving Hose 2. Fire Prevention sent out notices going back five years and everything is organized moving forward. The Borough needs to put out an ad to hire fire inspectors.

Councilmember Carpenter- April is Sexual Violence Awareness Month. She will be attending an education seminar on health insurance on April 25th. She reminded everyone to take an risk insurance class as the Borough gets \$250 for each person who takes it. There is a need to hire a DPW employee as one just left. She requested to make two DPW part time employees into full time employees. She praised the DPW for their work on the Borough Parks. There were zero airplane noise complaints for Bogota during the month of March. BACSA is the process of

getting a go-kart to come to Bogota for students to learn about drunk driving. She is working on a project to properly dispose of vapes as they are considered hazardous waste. The Board of Health is working to update the fees charged. The numbers of dog and cat licenses issued are increasing significantly. The Rabies clinic will be the whole month of November at Overpeck Creek Animal Hospital.

Councilmember Hordern- the Library will be closing one day to be painted. The Senior Citizens visited a museum in Teterboro. Summer camp and soccer registrations will be opening. The Internal Audit Committee is considering sending out an email questionnaire to gather basic information about all departments. The Committee will audit every department to ensure they are working as efficiently as possible.

Councilmember McHale- a new company will be operating at 305 West Fort Lee Road making concrete and the buildings on the site will be removed and reconfigured. The Police Chief's Report for March is 5 arrests and 515 total summonses. Of the 515 summonses, 140 were for moving violations, 19 for radar, 17 for parking, and 339 for ordinance violations. There were 4 warnings and 1822 total calls for service. There were only 648 calls for service during March last year. Police officers spent 100 hours covering crossing guard posts. He will get the forfeiture balance and a list of trainings for Councilwoman Carpenter.

Councilmember Mitchell- Planning and Zoning Board has been very slow lately. The VFW is doing a great job.

Councilmember Vergara- The Environmental Commission is holding a Community Clean-up Day next Sunday. She met with police officers to review their feedback on their contracts and she will continue working on them.

Administrator O'Malley- will be working to promote and schedule the Memorial Day parade. On April 23rd the phones will be ported over and there may be some disruption. Water main work is continuing on West Shore Ave., there shouldn't be any more road closures after this weekend. Veterans Park Phase 2 work is set to being the week of May 5th and is estimated to take 4-6 weeks and more time to add the water line to the Community Garden. Capital Budget introduced at the next meeting and Olsen Park bond issue the following meeting. Audit is happening, no issues so far. He is working with Veolia and their contractor to get Elm Ave paved in full. The cupola was finished a few weeks ago. He signed contracts to upgrade the streetlights on Elm Ave, Larch Ave, River Road, Palisades Ave, and Queen Anne Rd to LED which should be finished by the fall. He is looking into a new fire siren and different locations to install it.

Borough Attorney Betesh- only eight County Tax Board appeals have been filed, which is fairly low. The County Tax Board will conduct their hearings on May 14, 2025. He will work on an ordinance for the next meeting to decouple the Bureau of Fire Prevention from the Fire Department. He attended a meeting at Borough Hall with Fire Prevention and the Building Department to discuss the 15 Palisade Ave project to review the steps that will be followed to gut and rehabilitate the building. He was told that the building will follow ADA regulations, but will not have an elevator, since the first floor will have a sufficient number of accessible units. The building will have the same number of units, but the configuration may change. The parties are putting together a safety plan and insurance agreements so the

Borough is protected during construction. The Recreation Center is still on schedule and the Borough is working to process the insurance. The agreement with LEW for lead paint inspections is being finalized and will be ready for the next meeting. The ordinance amending private sector detail fees will be effective in 20 days and the agreement between the Borough and Jobs4Blue will be finalized soon.

Borough Clerk Flores-Bolivar- the primary ballot design has changed and was published on the Bogota website. Early voting was extended to six days and will be from June 3rd through June 7th.

ADJOURMENT

Being no further business before the governing body, **Councilmember Mitchell** made a motion to adjourn the meeting, which was seconded by **Councilmember Vergara**. The motion passed with a voice vote at 10:37 PM.

I hereby certify that this is a true copy of the minutes.

Yenlys Flores-Bolivar, Clerk

AN ORDINANCE AMENDING CHAPTER 23 OF THE BOGOTA CODE, ENTITLED “POLICE DEPARTMENT”

WHEREAS, Chapter 23 of the Borough Code sets forth the administrative rules and regulations for the Bogota Police Department; and,

WHEREAS, this Chapter currently sets the reimbursement for rate for police services performed on behalf of private contractors; and,

WHEREAS, the Mayor and Council wish to revise this section to modify the fees collected for the provision of police services to private contractors; and,

WHEREAS, the Mayor and Council also wish to revise this section to authorize the Borough to contract with independent contractors to administer the Borough’s program for providing the aforementioned police services.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Bogota, that Chapter 23 of the Bogota Municipal Code is hereby amended, revised, and supplemented as follows:

SECTION 1: AMENDMENT TO SECTION 23-11.1, ENTITLED “REIMBURSEMENT FOR POLICE SERVICES BY PRIVATE CONTRACTORS”.

Section 23-11.1, entitled "Reimbursement for Police Services by Private Contractors" is hereby amended, revised and supplemented as follows:

23-11.1 Reimbursement for Police Services by Private Contractors

Members of the police department shall be available to serve as traffic direction or security personnel for private contractors only at times that will not interfere with the members' efficient performance of regularly scheduled or emergency duty for the borough, with the approval of the chief of police. The applications for these services shall be made in writing to the chief of police. The application by the private contractor shall set forth pertinent information concerning the type of work to be engaged in, the name and address of the prospective private contractors, and the estimated times and duration of the service. The application shall be reviewed by the chief of police to determine if there is any reasonable probability that the proposed outside employment will interfere with a member's performance or compromise a member's position with the borough because of a conflict of interest or if there is any reasonable probability that the services requested would reflect unfavorably upon the police department. *The Borough may hire an independent contractor to serve as the Borough's authorized representative to administer the services and collect the fees set forth in this Section.*

SECTION 2: AMENDMENT TO SECTION 23-11.2(a), ENTITLED "PAYMENT AND ESCROW ACCOUNTS".

Section 23-11.2(a), entitled "Payment and Escrow Accounts" is hereby amended, revised, and supplemented as follows:

23-11.2 Payment and Escrow Accounts.

- a. Private contractors shall pay ~~the treasurer of~~ the Borough of Bogota or its authorized representative, *if one is appointed*, by cash, check, or money order, for all services performed by members of the Borough's Police Department at the rate of one hundred ~~forty-five~~ *two* (\$~~140.00~~*152.20*) dollars *and twenty cents* per hour as compensation for the Borough's costs associated with the police services. *If payment with a credit card is available, a Four (4%) Percent finance fee may be charged for processing the payment.*

A new Section 23-11.2(f) is hereby established, entitled "Late Fees", which shall read as follows:

- e. Any private contractor who fails to pay any outstanding balance owed to the Borough of Bogota or its authorized representative shall pay a late fee of 1.5% per month upon the payment being delinquent for over thirty (30) days. The Borough and its authorized representative are further empowered to pursue all legal remedies available against a private contractor who fails to make timely payment of all fees incurred pursuant to this Section.

SECTION 3: SEVERABILITY.

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court or federal or state agency of competent jurisdiction, such portion shall be deemed a separate, distinct and independent, and such holding shall not effect the validity of the remaining portions hereof.

SECTION 4: INCONSISTENCY.

Any and all ordinances, or parts thereof, in conflict or inconsistent with any of the terms and provisions of this Ordinance are hereby repealed to such extent as they are so in conflict or inconsistent.

SECTION 5: EFFECTIVE DATE.

This ordinance shall take effect twenty (20) days after the first publication thereof after final passage.

RESOLUTION AUTHORIZING THE SUBMISSION OF A BERGEN COUNTY OPEN SPACE, RECREATION, FLOODPLAIN PROTECTION, FARMLAND, AND HISTORIC PRESERVATION TRUST FUND MUNICIPAL PARK IMPROVEMENT GRANT PROGRAM APPLICATION

(Submission of a 2025 Bergen County Trust Fund Grant Application - Vincent F. Petrick Park)

WHEREAS, the Bergen County Open Space, Recreation, Floodplain Protection, Farmland & Historic Preservation Trust Fund ("County Trust Fund"), provides matching grants to municipal governments and to nonprofit organizations for assistance in the development or redevelopment of outdoor municipal recreation facilities; and,

WHEREAS, the Borough of Bogota desires to further the public interest by obtaining a matching grant of \$150,000 from the County Trust Fund to fund the following project: Vincent F. Petrick Park; and,

WHEREAS, the governing body/board has reviewed the County Trust Fund Program Statement, and the Trust Fund Municipal Program Park Improvement application and instructions, and desires to make an application for such a matching grant and provide application information and furnish such documents as may be required; and,

WHEREAS, as part of the application process, the governing body received held the required Public Hearing to receive public comments on the proposed park improvements in the application on April 17, 2025; and,

WHEREAS, the County of Bergen shall determine whether the application is complete and in conformance with the scope and intent of the County Trust Fund; and,

WHEREAS, the applicant is willing to use the County Trust Fund in accordance with such rules, regulations and applicable statutes, and is willing to enter into an agreement with the County of Bergen for the above named project and ensure its completion on or about the project contract expiration date.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Bogota:

RESOLUTION # 2025-110

DATE: 4-17-2025

1. That it is hereby authorized to submit the above completed project application to the County by the deadline of **APRIL 25th 2025**, as established by the County; and,
2. That, in the event of a County Trust Fund award that may be less than the grant amount requested above, the Borough of Bogota has, or will secure, the balance of funding necessary to complete the project, or modify the project as necessary; and,
3. That the Borough of Bogota is committed to providing a dollar for dollar cash match for the project; and,
4. That only those park improvements identified and approved in the project application, its Trust Fund contract, or other documentation will be considered eligible for reimbursement.
5. That the Borough of Bogota agrees to comply with all applicable federal, state, and local laws, rules, and regulations in its performance of the project; and,
6. That this resolution shall take effect immediately.

**AUTHORIZE THE SUBMISSION OF A GRANT APPLICATION TO THE NEW JERSEY
DEPARTMENT OF TRANSPORTATION FOR THE FY2025 TRANSPORTATION
ALTERNATIVES PROGRAM**

WHEREAS, the FY2025 Transportation Alternatives Program (the “Program”) provides federal funds for community based “non-traditional” projects designed to strengthen the cultural, aesthetic, and environmental aspects of the nation’s intermodal system; and

WHEREAS, the FY2025 Program is being administered by the New Jersey Department of Transportation; and

WHEREAS, the maximum amount of grant funds available is \$1.5 million, and no municipal matching funds are required; and

WHEREAS, the attached grant application describes the terms and conditions of applying for the grant funding; and

WHEREAS, the Administration wishes to apply for these grant funds in an amount not to exceed \$1.5 million for the Elm Avenue Roadway and Drainage Improvements Project;

NOW, THEREFORE, BE IT RESOLVED, by the Borough Council of the Borough of Bogota as follows:

- A. The Borough Council of the Borough of Bogota hereby accepts the terms of the grant funding and authorizes the electronic submission of the grant application identified as *TA-2025-Elm Avenue Roadway and Drainage Impr-00053* to the New Jersey Department of Transportation on behalf of the Borough of Bogota; and,
- B. The Borough of Bogota will assume maintenance responsibility over all improvements completed with grant funding awarded under the FY2025 Transportation Alternatives Program; and,
- C. In accordance with 23 CFR 635.105(a) (4) the Borough of Bogota is designating Conall O’Malley as the responsible charge for this program. Conall O’Malley is a full-time employee of the Borough of Bogota in the role of Borough Administrator and will be responsible charge for the proposed Federal-aid construction project.
- D. This resolution shall take effect immediately upon passage.

RE: Retention

9 EAST FORT LEE RD
Bogota Boro, Bergen County
SRP-PI: 013944
Activity Number Reference: RET240001
Hired To Address: Entire Site

Dear August Greiner:

This letter serves to advise you that an LSRP Notification of Retention Form has been received by the New Jersey Department of Environmental Protection (NJDEP) at\or for the case(s) noted above. The NJDEP confirms that Alfred A Smith Iv was retained on August 1, 2024.

On May 7, 2009, the Site Remediation Reform Act (SRRA) was enacted. SRRA establishes criteria for the licensing of site remediation professionals who will assure that contaminated sites are remediated in accordance with the Technical Requirements for Site Remediation, N.J.A.C. 7:26E. SRRA authorizes the NJDEP to establish mandatory timeframes for the completion of each phase of remediation. These timeframes, as well as other requirements of the Act, have

been codified in regulations that became effective on November 4, 2009. The timeframes associated with the case (LSR Activity) can be found at <https://njems.nj.gov/DataMiner>. Select the Site Remediation Category and scroll down to the Case Tracking heading and run the 'Case Tracking Tool by Selected PI Number' report by entering the PI number to review the regulatory and mandatory timeframes. The complete rule can be found at www.state.nj.us/dep/srp/regs/arcs/arcs_rule.pdf. N.J.A.C. 7:26C-2.4 identifies the requirements with which you must comply.

Per NJDEP's records, the following case types have been identified for this case:

<i>Case#</i>	<i>Case Type</i>
LSR120001	Regulated UST

****Note:** For some Retentions, Remedial Action Permits, some Childcare facilities and for some computer tracking system issues there will be no Case Types.

As the person responsible for conducting the remediation at case BOGOTA DEPARTMENT OF PUBLIC WORKS, the SRRA requires you to do the following:

- Within 45 days of the retention of the licensed site remediation professional (LSRP) to perform the remediation you are required to submit the first annual remediation fee and a completed Annual Remediation Fee Reporting form. This can be filed electronically through NJDEP Online, <http://www.nj.gov/dep/online/> ;
- Conduct the remediation without the prior approval of the NJDEP in accordance with the requirements set forth at N.J.A.C. 7:26E, the Technical Requirements for Site Remediation and N.J.A.C. 7:26C, Administrative Requirements for the Remediation of Contaminated Sites;
- Provide the NJDEP with access to the contaminated site and documents concerning the remediation; and
- Obtain all necessary permits.

Once a site or a portion of a site has triggered compulsory direct oversight, the responsible party forfeits all rights in the decision-making process regarding the remediation performed at the site, including remedy selection. Additionally, the responsible party will be required to post a remediation funding source and the NJDEP will control the disbursements from the remediation funding source. (http://www.nj.gov/dep/srp/guidance/srra/direct_oversight.pdf)

The contact information provided above is based on information previously provided to the NJDEP. If you have questions on any of the above contact information, you can contact the Compliance Assistance Duty Officer at (609) 633-1480.

Sincerely,

A handwritten signature in black ink that reads "Kirstin Hahn". The script is cursive and fluid, with the first name and last name clearly distinguishable.

Re: Estimated Costs for Additional Delineation Services
Department of Public Works Garage
9 East Fort Lee Road
Bogota, New Jersey
NJDEP Case No. 95-01-09-1608-12

Dear Mayor Fede:

In response to your request, First Environment, Inc. (First Environment) is submitting the following scope-of-work and cost estimate to provide Licensed Site Remediation Professional (LSRP) Services and environmental technical support for the above-referenced site (the "Site"). To support this proposal, we have reviewed and evaluated the information that has been made available to us including soil and groundwater data tables, and a soil boring location figure. For completeness, we have provided a brief summary of the current Site conditions below.

Summary

Based on our review of the available information, it appears that two underground storage tanks (USTs) were removed from the Site in 1995. The Site was assigned New Jersey Department of Environmental Protection (NJDEP) Case No. 95-01-09-1608-12. Information contained on the facility registration questionnaire indicates the tanks were reportedly 1,000- and 6,000-gallons in size and contained unleaded gasoline. Notably, we were not provided with any UST closure report to review. As such, First Environment evaluated the NJDEP Dataminer website to determine if any closure reports were submitted to the Department at the time they were removed. Based on our review of the Dataminer site, no UST closure reports were available to download.

During 2016, a prior consultant conducted limited site investigation activities to evaluate the soil and groundwater conditions at the Site. It appears that 12 soil borings were installed with samples being collected at various depth intervals within the boreholes. A total of 19 soil samples were collected for laboratory analyses. In addition, one temporary monitoring well, DPW-1, was installed and a groundwater sample was collected for analysis. Based on the data presented, only two of the 19 samples analyzed revealed contaminant concentrations exceeding the applicable NJDEP soil remediation standards (SRS). These included DPW-4A and DPW-2. Total xylenes, toluene, and ethylbenzene were detected at 1,300 parts per million (ppm), 100 ppm, and 250 ppm, respectively, in DPW-4A. The concentrations of total xylenes and toluene only exceeded the NJDEP Migration to Groundwater (MGW) SRS. Ethylbenzene exceeded the residential and non-residential inhalation exposure pathway SRS. With respect to sample DPW-2, ethylbenzene, total xylenes, and toluene were identified at concentrations of 69 ppm, 313 ppm, and 44 ppm, respectively. Total xylenes and toluene only exceeded the MGW SRS.

3/4/2025

FE\DATA\Project\Bogota Borough - BOGOT004\Official Report Folder\2025 Feb Proposal for Addl Delineation\Final Word\03-04-2025 Proposal.docx

Mayor Daniele Fede
Borough of Bogota

Ethylbenzene also exceeded the residential and non-residential inhalation exposure pathway SRS as well as the MGW SRS. The sample from DPW-2 was collected at a depth of 12.0 to 12.5 feet below ground surface (bgs). It is not known if this is below the static water table, which would nullify the exceedances since they would be below the water table and not indicative of soil impact (unsaturated). The groundwater sample from DPW-1 revealed concentrations of ethylbenzene, toluene, xylenes, and Total Tentatively Identified Compounds (TICs) at the following concentrations, 2,600 parts per billion (ppb), 1,200 ppb, 12,500 ppb, and 18,820 ppb, which exceed the NJDEP Groundwater Quality Standards (GWQS) of 700 ppb, 600 ppb, 1,000 ppb, and 500 ppb, respectively. Notably, our experience supports that groundwater samples collected from temporary wells can lead to artificially high concentrations as a result of sediment loading to the sample (since a gravel pack around the well is seldom used).

First Environment subsequently installed three monitoring wells at the Site on September 24, 2024. The well installation locations were selected to further investigate groundwater quality in the vicinity of the aforementioned USTs. First Environment subsequently collected groundwater samples from these wells on October 18, 2024. Upon gauging the wells, it was determined that approximately one-inch layer of Light Dissolved Non-Aqueous Phase Liquid (LNAPL, or free product) was situated on top of the groundwater table at MW-2. The presence of DNAPL requires delineation and mitigation in accordance with NJDEP regulations. Sample results additionally indicated an exceedance of the NJDEP Groundwater Quality Standards (GWQS) for Benzene in MW-2.

Based on the 2024 monitoring results, additional investigation at the Site is required to delineate the elevated levels of Benzene and the presence of free product. As such, First Environment has developed a scope-of-work and cost estimate to address the current conditions at the Site.

NJDEP Regulatory and Mandatory Deadlines

The NJDEP establishes cleanup milestone deadlines for each site in the Site Remediation Program based on the date of a discovered release. The established timeframes for the Site are as follows:

Date Remediation was Required to be Initiated	1/9/1995
---	----------

Task	Regulatory Timeframe	Mandatory timeframe
Site Investigation	3/1/2011	3/1/2012
Initial Receptor Evaluation	3/1/2011	3/2/2012
Remedial Investigation	5/7/2014	5/7/2014
Remedial Action	2/6/2019	2/6/2021

None of the milestones listed above were completed within either the regulatory or mandatory timeframes, and as such, NJDEP is seeking to have the Borough enter into an Administrative Consent Order (ACO) to establish a reasonable timeframe to complete these milestones. Normally, an ACO has a substantial fee component; however, the NJDEP typically

Mayor Daniele Fede
Borough of Bogota

does not demand fees from public entities. Our scope-of-work and cost estimate includes LSRP services to assist the Borough in navigating the ACO process.

Scope-of-Work

The following scope-of-work, which will be conducted in accordance with the NJDEP Technical Requirements for Site Remediation (TRSR) and Administrative Requirements for the Remediation of Contaminated Sites (ARRCS), will assist to move the Site towards regulatory closure.

Groundwater Investigation

As indicated, the results of the previous groundwater investigation revealed VOCs and LNAPL at concentrations above the NJDEP GWQS in monitoring well MW-2. To further evaluate these conditions, First Environment is proposing to install two additional shallow monitoring wells as illustrated on Figure 1, attached, which will help assess the potential horizontal extent of impact beyond MW-2, as required by the NJDEP. We expect the wells will be installed using hollow stem auger drilling techniques and finished with a metal flush mount cover and concrete pad to accommodate vehicular traffic.

Upon completion of the well installation activities and subsequent to the required two-week aquifer stabilization period required by NJDEP, First Environment will mobilize to the Site to sample the new monitoring wells and resample MW-2 in accordance with the NJDEP Field Sampling Procedures Manual for the volume average purge technique. In addition, the new wells will be surveyed by a New Jersey Licensed Land Surveyor for horizontal and vertical control such that they can be used to further refine our understanding of groundwater flow. In accordance with Table 2-1 of the TRSR, the groundwater samples will be submitted for analysis for VOCs, TICs, 1,2-dibromoethane, and 1,2-dichloroethane.

MW-2 Product Mitigation

To help remove the product collecting in MW-2, we propose to install an absorbent sock in MW-2 and replace it monthly. We will maintain onsite a 55-Gallon drum to deposit the spent socks and arrange for its disposal after one year. The budget presented below assumes one year of this activity.

Remedial Investigation Report Preparation

Assuming that groundwater delineation is achieved once the above scope-of-work has been implemented, First Environment will prepare a comprehensive Remedial Investigation Report (RIR) that will be submitted to the Department. In addition, the RIR will include an updated Receptor Evaluation, as required.

Administrative Consent Order Support

We will additionally assist the borough with interacting with the NJDEP, filing paperwork, LSRP support, and negotiating the process to enter into an ACO.

Mayor Daniele Fede
Borough of Bogota

Cost Estimate

We propose to execute the above scope-of-work activities to move the Site towards regulatory closure for an estimated cost of **\$40,000.00**. The cost estimate includes the aforementioned groundwater investigation, drilling, oversight and laboratory analyses, initial data review, reporting, project management, as well as ACO support. A breakdown of the costs is provided below.

Task 1 – Monitoring Well Install and Sampling	\$20,575.20
Task 2 – Product Mitigation	\$ 9,185.20
Task 3 – Remedial Investigation Report	\$ 5,840.00
Task 4 – ACO Support	\$ 3,580.00
Estimated Total	<u>\$40,000.00</u>

First Environment has structured this cost estimate to provide the greatest cost efficiency possible, including the use of existing data to assist in the development and execution of our scope.

This proposal is valid for a period of 60 days from the date it is written. After a period of 60 days, First Environment will not be held to the terms and prices quoted herein. Additionally, once this proposal is accepted, the scope-of-work outlined in the proposal is subject to periodic rate increases that may be implemented by First Environment. Such rate increases will be effective on the date first following First Environment's notification to you of the implementation of the rate increases.

I trust that this is responsive to your needs. If you have any questions or comments or require additional information, please do not hesitate to contact me. We look forward to working with you and your team on this project.

Best regards,

FIRST ENVIRONMENT, INC.

Attachment 1. First Environment's Authorization for Professional Services

DATE: March 4, 2025

PROJECT NAME: Estimated Costs for Additional Delineation Services

PROJECT NUMBER: BOGOT004-01

CLIENT: Borough of Bogota, hereinafter referred to as "CLIENT"

CLIENT's ADDRESS: 375 Larch Avenue, Bogota, New Jersey 07603

hereby requests and authorizes FIRST ENVIRONMENT, INC. hereinafter referred to as "CONSULTANT" to perform the following services:

SCOPE: As set forth in attached proposal

at SITE(S) OF WORK: 9 East Fort Lee Road, Bogota, New Jersey 07603

all pursuant to and as described in the attached proposal dated: March 4, 2025

Services covered by this authorization shall be performed in accordance with PROVISIONS stated on the following pages and additional provisions, if any, as follows:

None

If technical or professional services are furnished by an outside source, an additional 5% shall be added to the cost of the services for CONSULTANT's administrative costs. An additional 5% shall also be added to direct expenses.

Approved for CLIENT:

Accepted by CONSULTANT

PROVISIONS

CLIENT and **CONSULTANT** agree that the following provisions are a part of their agreement (hereinafter, this "Agreement").

1. **INVOICES:** **CONSULTANT** will submit progress invoices to **CLIENT** monthly showing charges for services and expenses and a final bill upon completion of the services. Each invoice is due on presentation and is past-due thirty (30) days from invoice date. **CLIENT** agrees to pay a finance charge of one percent (1%) per month, but not exceeding the maximum rate allowed by law, on past-due undisputed accounts. Should either party hereto bring suit in court to enforce any term of this Agreement, it is agreed that the prevailing party shall be entitled to recover his costs, expenses, and reasonable attorneys' fees. **CONSULTANT** understands that its invoices will be paid by insurance carriers, in accordance with the above payment terms, and agrees to provide all its invoices and subcontractor invoices to the **CLIENT**. The insurance carriers that are responsible for the payment of **CONSULTANT**'s invoices and contact information for personnel directly responsible for such payment are provided in Attachment 1. Further, **CONSULTANT** will have submitted to **CLIENT** all final lien waivers and releases from **CONSULTANT** and all of its Subcontractors and suppliers, and the Project shall be free and clear of any liens, claims, unsatisfied demands, notices of intention, stop notices, unsatisfied judgments, security interests, or other encumbrances in favor of the **CONSULTANT** and/or its Subcontractors and suppliers
2. **SERVICES BY CLIENT:** **CLIENT** will provide **CONSULTANT** with access to the site(s) of the work, will obtain all permits, will provide all legal services in connection with the project, unless the provision of same is specifically included in the scope-of-work. **CLIENT** shall pay the costs of checking and inspection fees, zoning application fees, soil engineering fees, testing fees, surveying fees, and all other fees, permits, bond premiums, blueprints, and reproductions, and all other charges not specifically covered by the terms of this Agreement.
3. **SERVICES BY CONSULTANT:** **CONSULTANT** shall commence work upon execution of this contract and shall accomplish the scope of the work in a professional manner consistent with the standards prevailing for such services in the vicinity of the project and in accordance with all applicable environmental regulations and statutes, including but not limited to the following:
 - a. Administrative Requirements for the Remediation of Contaminated Sites (ARRCS; NJAC 7:26C);
 - b. Remediation Standards (NJAC 7:26D);
 - c. Technical Requirements for Site Remediation (TRSR; NJAC 7:26E);
 - d. NJDEP Technical Guidance Documents (as applicable); and
 - e. Other applicable documents and regulations.
4. **SERVICES DURING CONSTRUCTION:** If the scope-of-work includes any construction inspection or testing to be provided by **CONSULTANT**, it is agreed that such services are only for the purpose of determining the contractor's compliance with the functional provisions of project specifications. **CONSULTANT** in no way guarantees or ensures contractor's work nor assumes responsibility for methods or appliances employed by contractor, for jobsite safety or for contractor's compliance with laws and regulations but **CONSULTANT** will take all commercially reasonable means within the North Jersey market for contractors to hire a competent contractor that has an established reputation in the field and will require that said contractor comply with all insurance requirements as specified in Paragraph 6 of this Agreement. **CLIENT** agrees that the construction contractor will be required to assume sole and complete responsibility for jobsite conditions during the course of construction of the project, including assuring the safety of all persons and property and that this responsibility shall be continuous and not be limited to normal working hours.
5. **COST ESTIMATES:** Any projections or statements or estimates of future costs furnished by **CONSULTANT** are estimates only based on **CONSULTANT**'s experience, opinions, and judgment. **CONSULTANT** shall not incur additional costs that exceed the total proposal amount, including the 15% project contingency, without notifying **CLIENT** of same.
6. **INSURANCE:** **CONSULTANT** shall carry the following specific types and amounts of insurance during the performance of its services and shall provide certificates of insurance evidencing its coverage, prior to starting work on the Project site. **CONSULTANT** shall cause all its subcontractors performing work on the Property to provide insurance in the types and amounts required in First Environment's standard subcontract agreement with the exception of Northstar Environmental Services or other contractor conducting soil excavation inside of the

Mayor Daniele Fede
Borough of Bogota

building who will be required to provide insurance in the amounts provided below (a-e). The certificates of insurance shall provide for advance notice to the **CLIENT** of any subsequent modification or cancellation of these coverages.

- a. Worker's Compensation Insurance with statutory coverage and \$1,000,000 employer's liability coverage.
- b. Comprehensive General Liability Insurance with annual aggregate limits of \$4,000,000.
- c. Automobile Liability Insurance with annual aggregate limits of \$1,000,000.
- d. Professional Liability Insurance with limits of \$4,000,000 per claim and in the aggregate on a claims-made basis.
- e. Contractor Pollution Liability with limits of \$1,000,000 per claim and in the aggregate on a claims-made basis.

A Certificate of Insurance and necessary endorsements shall be provided to **CLIENT**'s attorney for review. The above amounts may be comprised of a combination of primary and excess insurance policies.

7. **WARRANTY:** The only warranty or guarantee made by **CONSULTANT** in connection with the services performed under this Agreement is that such services will be performed with the care and skill ordinarily exercised by members of the profession practicing under similar conditions at the same time and in the same or a similar locality and in accordance with all the provisions set forth in Paragraph 3 subpart (a) through (e) of this Agreement. When the findings and recommendations of **CONSULTANT** are based on information supplied by **CLIENT** and others, such findings and recommendations are correct to the best of **CONSULTANT**'s knowledge and belief. No other warranty, express or implied, is made or intended by providing of consulting services or by furnishing oral or written reports of the findings made.

8. **RESPONSIBILITY:**

- a) If the scope-of-work which **CONSULTANT** has assumed includes the identification, investigation, assessment, containment, or remediation of any hazardous waste, pollution sources, nuisance, or chemical or industrial disposal problem, which may exist at the site of the work, **CLIENT** acknowledges that neither **CONSULTANT** nor any subcontractor of **CONSULTANT** has played any part in the creation of any such condition or problem which may exist, and that **CONSULTANT** has been retained for the sole purpose of assisting the **CLIENT** in assessing any problem which may exist and in assisting the **CLIENT** in formulating a remedial program. It is recognized and agreed that **CONSULTANT** has assumed responsibility only for making the investigations, reports, and recommendations to the **CLIENT** included within the scope-of-work. Except as otherwise expressly agreed, the responsibility for making any disclosure or reports to any third party and for the undertaking, prosecution, and completion of corrective, remedial, or mitigative action, shall be solely that of the **CLIENT**.
- b) If, in the **CONSULTANT**'s opinion, **CONSULTANT** is legally required to report evidence of environmental contamination to appropriate local or state agencies within a legally provided timeframe, the **CONSULTANT** will inform the **CLIENT** of such circumstance prior to **CONSULTANT**'s notification to the appropriate state or local agency(ies). The **CONSULTANT** will, whenever possible, provide the **CLIENT** with the opportunity to notify the agency in lieu of the **CONSULTANT**'s notification within the legally provided time frame. However, if the **CLIENT** fails to provide such timely notification, or if despite such notification **CONSULTANT** remains responsible for such reporting, then **CLIENT** recognizes that **CONSULTANT** will comply with such obligations, and **CLIENT** authorizes and approves such action by **CONSULTANT** notwithstanding any confidentiality or other considerations which otherwise might govern **CONSULTANT**'s conduct. ,

9. **PROVISIONS FOR DRILLING:** If the scope-of-work which **CONSULTANT** has assumed includes the drilling of borings, the installation of wells or similar activities

- a) **CLIENT** will warrant that all overhead and underground utilities have been located, and that they will not interfere with the work. Should such utilities interfere with the work, any and all relocations or repairs to such utilities, including all excavation, test pitting, and probing will be by the **CLIENT**.
- b) **CLIENT** will provide traffic and pedestrian protection as may be required.
- c) **CLIENT** will provide security measures to ensure a safe storage area for the drilling equipment and construction materials during non-working hours.

Mayor Daniele Fede
Borough of Bogota

- d) **CLIENT** will protect equipment from damage caused by actions or omissions of the **CLIENT**, and/or other of **CLIENT**'s **CONSULTANT**s or contractors.
 - e) **CLIENT** will at all times be responsible for and own all wastes generated by the drilling activities. **CONSULTANT** will, or will cause its subcontractor or sub-**CONSULTANT** to, place drill cuttings into drums and to pump drill fluids to a sanitary drop or another acceptable on-site location as directed by **CLIENT**.
 - f) **INDEMNITY FOR INHERENT RISKS**, **CLIENT** recognizes that, while commonly used exploration methods, such as drilling borings or well installation may be necessary for investigations, there is an inherent risk in drilling borings or performing other exploration methods at a hazardous waste site. These risks include, but are not limited to, (1) such exploration methods may require penetration through contaminated material and into an uncontaminated aquifer or groundwater, inducing cross contamination; (2) while backfilling with grout, or other means, according to a state of practice design, is intended to provide a seal against such passageway, it is recognized that such a seal may be imperfect.
10. **NONPAYMENT**: **CONSULTANT** reserves the right to suspend work or to terminate this contract at any time upon written notice for non-payment of past-due progress invoices. **CONSULTANT** shall give 10 (ten) business days' notice and allow an opportunity for **CLIENT** to provide payment prior to termination.
 11. **TERMINATION**: **CLIENT** shall have the right at any time to terminate this Agreement upon giving three days written notice to the **CONSULTANT**. In the event of such termination, **CLIENT** shall pay all fees due to **CONSULTANT** up to that time.
 12. **TITLE TO DOCUMENTS**: Drawings, specifications, and other work products of the **CONSULTANT** for this project, except working notes and internal documents, upon payment of **CONSULTANT**'s final invoice, will become the property of the **CLIENT**. Reuse of any of these drawings, specifications, or other work products of the **CONSULTANT** by the **CLIENT** for other than the specific project covered in this Agreement, and the specific part of such project for which such work product was intended, or modification and use by the **CLIENT** of any documents connected with this Agreement, without the prior written permission of the **CONSULTANT** shall be entirely at the **CLIENT**'s risk. The **CONSULTANT** shall be entitled to a reproducible copy of all material furnished to the **CLIENT**, the costs of which shall be a reimbursable expense under this Agreement.
 13. **AUDIT**: **CLIENT** shall have the right to inspect, examine, and audit such books, records, accounts, receipts, and vouchers of **CONSULTANT** as **CLIENT** may desire in connection with this project and **CONSULTANT** shall produce and make such books, records, accounts, receipts, and vouchers available to **CLIENT** and its representatives during reasonable business hours. **CONSULTANT** reserves the right to destroy any all such records after ten ("10") years following the issuance of a final remediation document.
 14. **ADDITIONAL SERVICES**: **CLIENT** shall pay the cost of any and all extra or additional services that **CLIENT** authorizes **CONSULTANT** to perform, and all such extra or additional services shall be governed by the terms of this Agreement. **CONSULTANT** will endeavor at all times to advise **CLIENT** of any services, professional or otherwise, which may be necessary in the interest of the proper accomplishment of this project but are not provided under this Agreement.
 15. **DATA AND PRIOR STUDIES**: **CLIENT** shall promptly provide to **CONSULTANT** access to and, upon request, copies of all maps, drawings, reports, data, analyses, and similar information relevant to the scope-of-work undertaken by **CONSULTANT**. **CLIENT** shall identify and endorse as confidential any such material considered to be confidential by **CLIENT**. **CONSULTANT** shall keep in confidence all such material identified as confidential by **CLIENT**, provided that **CONSULTANT** may comply with any subpoena or similar legal process after notifying **CLIENT** and affording to **CLIENT** the opportunity to seek to have such legal process withdrawn or quashed. **CLIENT** shall have the right to access lab results online upon request, if available.
 16. **COMMUNICATIONS**: Unless otherwise agreed, **CLIENT** consents to **CONSULTANT**'s reference in **CONSULTANT**'s professional resume and marketing materials to the work **CONSULTANT** shall have completed for **CLIENT**, provided that, in doing so, **CONSULTANT** shall not publish any confidential information.
 17. **APPLICABLE LAW AND JURISDICTION**: Unless otherwise stated in the proposal, this Agreement shall be governed by the laws of the State of New Jersey and the parties consent to the non-exclusive jurisdiction of the state and federal courts located in New Jersey for the resolution of any dispute under, arising out of, or in connection with this Agreement.

Mayor Daniele Fede
Borough of Bogota

18. **INDEMNIFICATION:** **CLIENT** recognizes that it is the owner of the site and that under Federal and State environmental laws, it may be jointly, severally, or solely liable for the remediation of the site and all costs, fees and expenses that may arise directly or indirectly out of the liability related to this ownership. **CLIENT** further recognizes that **CONSULTANT** is working at the site to investigate and remediate contamination on the site and that it has no obligation or duty of its own to clean up the contamination and is not responsible for consequential or collateral damages related to the contamination. Further, should the **CONSULTANT** incur liability at the site or be sued or named in any form of legal action, for any reason, it is **CLIENT**'s duty to indemnify, defend and hold harmless **CONSULTANT** from any claims, lawsuits, liabilities, orders, causes of action and liens, with the exception that **CLIENT** shall not be responsible for such indemnification where the **CONSULTANT** is adjudged to be negligent by its actions or inactions at the site. **CLIENT** shall have the duty to defend **CONSULTANT** until such time that **CONSULTANT** is adjudged to have been negligent.

Should **CONSULTANT** be required to answer or otherwise defend a lawsuit, claim or other legal proceeding, or appear as a witness in a lawsuit on behalf of itself or the **CLIENT** or any other third party in any action related to the contamination at or emanating from the site, **CLIENT** shall pay all of **CONSULTANT**'s hourly labor costs, fees and expenses, including reasonable in-house and outside attorney's fees, administrative fees and project management fees, according to **CONSULTANT**'s litigation rate schedule.

Attachment 2. First Environment's Fee Schedule

BILLING CATEGORY	HOURLY BILLING RATE
Principal	\$250.00 – \$350.00
Senior Associate	\$140.00 – \$250.00
Associate	\$120.00 – \$175.00
Senior Professional	\$100.00 – \$175.00
Professional II	\$ 85.00 – \$120.00
Professional I	\$ 70.00 – \$110.00
Draftsman/Technician	\$ 60.00 – \$100.00
Administrative	\$ 55.00 – \$ 70.00

Reimbursable Expenses*

- Reasonable travel and living expenses
- Telephone, facsimile, postage, copies, shipping
- Reproduction costs of figures and reports
- Equipment usage fees, field supplies
- Outside professional services (e.g., drilling, laboratory)

First Environment's rates are subject to periodic adjustment, due to a change in our billing rates, generally, for a particular employee based on that employee's advancement in seniority within the firm, or by reason of general economic conditions. The applicable rates will be those in effect at the time the services are rendered.

*Reimbursable expenses are marked up 5% to 15% depending on payment terms and conditions.

Attachment 3. First Environment's Environmental Commitments

What We Put First

First Environment is committed to assisting our clients in developing strategies that are tailored to their needs and provide solutions on both a global and local scale. We bring technical knowledge, a collaborative approach, and advanced thinking to develop solutions that meet the demands of today while securing the future for those who will come after us.

Our Commitments

- | | | |
|----------|--|---|
| 1 | Work on behalf of our clients and ourselves to protect the environment, prevent pollution, and protect worker health and safety |  |
| 2 | Strive for accurate and transparent communication with our clients and others who have a stake in our operations |  |
| 3 | Continually improve our environmental, quality, health, and safety management and performance |  |
| 4 | Support further education and development of our firm members |  |
| 5 | Foster a talented and diverse workforce in an atmosphere of mutual respect |  |
| 6 | Meet our compliance obligations and demonstrate integrity and ethics in our activities |  |
| 7 | Leverage our knowledge and resources to support local, community, government, and international organizations so as to advance society's goals of a just and clean world |  |

We believe these commitments produce a balanced company that will grow and prosper, as will the world.

A RESOLUTION APPOINTING DANIEL KLIMA AS FULL-TIME FIRE OFFICIAL/FIRE MARSHAL FOR THE BOROUGH OF BOGOTA

WHEREAS, the Bogota Mayor and Council appointed Daniel Klima to the position of Fire Official/Fire Marshal on March 6, 2025 via Resolution #2025-84; and,

WHEREAS, the aforementioned appointment had commenced effective March 6, 2025, and shall run through March 6, 2026; and,

WHEREAS, the position of Fire Official/Fire Marshal is currently a part-time position in the Borough, and Mr. Klima's compensation is in accordance with the Borough's current salary ordinance; and,

WHEREAS, the Fire Official/Fire Marshal's duties and responsibilities have increased since the date this position was originally established, and,

WHEREAS, the Mayor and Council wish to convert the Fire Official/Fire Marshal position to full-time status, so that the duties and responsibilities associated with that role can be effectively carried out.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Bogota, that Daniel Klima's appointment as Fire Official/Fire Marshal shall be converted to a full-time position, as set forth in the Bogota Personnel Policies & Procedures Manual; and,

BE IT FURTHER RESOLVED, that the Borough's Salary Ordinance shall be amended to adjust the annual salary for this position to Seventy Thousand (\$70,000) Dollars; and,

BE IT FURTHER RESOLVED, that Daniel Klima's appointment to the position of Fire Official/Fire Marshal shall continue to run through March 6, 2026, as stated in Resolution #2005-84; and,

BE IT FURTHER RESOLVED, that Mr. Klima shall continue to assume all responsibilities and perform all duties as prescribed for the position of Fire Official/Fire Marshal under the applicable laws, ordinances, and regulations of the Borough and the State of New Jersey; and,

BE IT FURTHER RESOLVED, that this conversion shall not take effect until the Borough's Salary Ordinance is amended to reflect the new annual salary, and upon the parties entering into an employment agreement upon terms acceptable to both parties, with the salary to be retroactive to April 17, 2025; and,

RESOLUTION # 2025-113

DATE: April 17, 2025

BE IT FURTHER RESOLVED, that the Borough Clerk is hereby directed to provide a certified copy of this resolution to Mr. Daniel Klima, Fire Chief Adam Schaefer, and any other relevant parties.

CERTIFICATION

I, Yenlys Flores-Bolivard, Municipal Clerk of the Borough of Bogota, Bergen County, New Jersey, do hereby certify that the foregoing is a correct and true copy of a resolution adopted by the Borough of Bogota, Bergen County, New Jersey at a meeting held on April 17, 2025.

Yenlys Flores-Bolivard, Municipal Clerk

NJ Climate Superfund Act Municipal Resolution

WHEREAS, the proposed "NJ Climate Superfund Act" (S3545 / A4696), pending before the New Jersey Legislature would impose liability on large fossil fuel companies for certain climate change related damages they caused instead of imposing all those costs on New Jersey taxpayers; and

WHEREAS, New Jersey has experienced deaths and billions of dollars in losses from storms linked to climate change. Hurricane Sandy costs are estimated to be over \$29 billion, along with 38 deaths, while Hurricane Ida caused about \$2 billion in costs and 30 deaths. From 1980-2024 (as of November 1, 2024), there have been 74 confirmed weather/climate disaster events with losses exceeding \$1 billion each to affect New Jersey. These costs do not include many others associated with climate change listed below; and

WHEREAS, total global GDP today is about \$100 trillion and "climate change is on track to cost the global economy \$38 trillion every year in damages within the next 25 years;" and

WHEREAS, a 2023 report found that extreme climate events cost the U.S. \$150 billion each year, excluding costs related to loss of life, healthcare, and ecosystem damage. The 2024 catastrophic flooding and destruction caused by Hurricane Helene in western North Carolina alone likely caused at least a record \$53 billion in damages and recovery needs; and

WHEREAS, the effects of climate change on New Jersey municipalities include but are not limited to increases in the costs of property insurance, flooding (including clean ups, property buyouts and prevention), public health care costs (costs from injuries, heat, dealing with vector borne diseases and insurance), repair to critical infrastructure such as roads, bridges, sewer systems and wastewater management, installing/maintaining air conditioning in schools, costs of dealing with forest fires and resulting property damages, increased costs of water purification from droughts or floods, seawall and other protections against ocean flooding, raising roads to prevent sunny-day flooding, potential lawsuits from residents, loss of tax revenue from destroyed properties, salt water invasion of aquifers, algal blooms, loss of recreation/tourism revenue, dealing with insect and other infestations; and

WHEREAS, more than 50 years ago, scientists at major fossil fuel companies knew of the direct link between fossil fuels and global warming and reported their findings to corporate executives,

RESOLUTION # 2025-114

DATE: April 17, 2025

who chose to deceive the public about climate science, downplay and distort the evidence of climate change, engage in a decades-long campaign against climate action, fund counterfeit science, and manufacture uncertainty with no scientific basis; and

WHEREAS, the top 25 oil and gas 'carbon majors' have continually earned enormous profits and have the ability to pay for their share in damages and remain extremely profitable. Global climate damages from emissions associated with the top 25 oil and gas 'carbon majors' between 1985 and 2018 are estimated at 20 trillion USD compared to the 30 trillion USD they earned over the same period. In 2022 seven carbon majors including Aramco, Exxon Mobil, and Shell earned profits almost twice the estimated damages caused by their emissions that year - 497 billion USD compared to 260 billion USD; and

WHEREAS, the Climate Superfund Act seeks to hold "responsible parties," which is defined as large fossil fuel companies operating in New Jersey and were responsible more than one billion metric tons of greenhouse gas emissions since 1994, liable for the past, current and future costs of funding climate change adaptation and resilience projects instead of placing the burden on New Jersey taxpayers; and

WHEREAS, the State Treasurer will be authorized under this Act to determine the cost impacts of these greenhouse gas emissions on the State, including effects on public health, natural resources, biodiversity, agriculture, economic development, flood preparedness and safety, housing, and any other effect that the State Treasurer determines is relevant; and

WHEREAS, a Climate Superfund Cost Recovery Program will be established under this Act by the NJDEP to obtain compensatory payments from Responsible Parties and accept and collect payment from responsible parties and to disburse those funds for "climate change adaptation projects;" to project sponsors of climate change adaptation and resilience projects; and

WHEREAS, "climate change adaptation projects" include, but are not limited to: flood protection projects; home buyouts; upgrades of stormwater drainage systems; defensive upgrades to roads, bridges, railroads, and transit systems; preparation for, and recovery from, extreme weather events; preventive health care programs and providing medical care to treat illness or injury caused by the effects of climate change; relocation, elevation, or retrofits of sewage treatment plants and other infrastructure vulnerable to flooding; installation of energy efficient cooling systems and other weatherization and energy efficiency upgrades and retrofits in public and private buildings, including schools and public housing, designed to reduce the public health effects of more frequent heat waves and forest fire smoke; upgrades to the electrical grid to increase stability and resilience, including the creation of self-sufficient microgrids; and response to toxic algae blooms, loss of agricultural topsoil, crop loss, and other climate-driven ecosystem threats to forests, farms, fisheries, and food systems; and

WHEREAS, any municipality in need of climate change adaptation and resilience projects will be able to apply for the funds raised by the Act; and

RESOLUTION # 2025-114

DATE: April 17, 2025

WHEREAS, the total funds to be recovered under this Act is expected to be multiple billions of dollars each year; and

WHEREAS, economists agree that the design of the Act would not cause costs to be passed along to consumers because 1) the payments would be based on past pollution and, therefore, not affect today's marginal cost of production; and 2) the price of fossil fuels is based on international market forces; and

WHEREAS, the Act would not preclude municipalities from filing and paying for their own lawsuits in order to obtain payment for damages caused by climate change emissions; and

WHEREAS, the Act will make New Jersey more affordable by not saddling New Jersey taxpayers with the large and rapidly increasing costs of paying for climate damages;

NOW, THEREFORE, BE IT RESOLVED that the Mayor and Council of the Borough of Bogota, in the interest of protecting its residents, businesses and institutions, as of April 17, 2025, strongly express their support for passage of the NJ Climate Superfund Act.

BE IT FURTHER RESOLVED, that the Borough Clerk shall forward this Resolution to:

- New Jersey Governor Phil Murphy
- Commissioner of the NJ Department of Environmental Protection
- NJ Senate President Nicholas Scutari
- NJ Assembly Speaker Craig Coughlin
- NJ Climate Superfund Act Senate sponsors Bob Smith, John McKeon
- NJ Climate Superfund Act Assembly sponsors John Allen, Garnet Hall, Alixon Collazos-Gill
- NJ State Senate legislator representing Bogota
- NJ State Assembly legislators representing Bogota
- Food & Water Watch, msmith@fwwatch.org
- League of New Jersey Municipalities
- County Commissioners and Administration of Bergen County

CERTIFICATION

I, Yenlys Flores-Bolivard, Municipal Clerk of the Borough of Bogota, Bergen County, New Jersey, do hereby certify that the foregoing is a correct and true copy of a resolution adopted by the Borough of Bogota, Bergen County, New Jersey at a meeting held on April 17, 2025.

Yenlys Flores-Bolivard, Municipal Clerk

R E S O L U T I O N

DATE April 16, 25

MOTION McHale

SECOND Mitchell

Carried ☒ Defeated ☐ Tabled ☐

WHEREAS, as required by NJSA 40A:4-57 and any other applicable requirements, the Chief Financial Officer of the Borough of Bogota has certified there are sufficient funds available in the appropriations of the municipal budget line items to make payment too claimants per the payment of claims;

BE IT RESOLVED that the Mayor and Council of the Borough of Bogota authorizes payment in the aggregate amounts of:
